

We TEACH Operational Excellence (OpX)

Training Enabling Areas Campus Hires (TEACH) is a 3-year operations-focused rotation program

Gain **exposure to Government and Public Services (GPS) OpX** teams and the knowledge needed to provide **business and operations support** that enables the GPS Consulting and Advisory practices to deliver exceptional client service.

Experiences include:

- collaborating cross-functionally within OpX
- interfacing with **government clients and regulators**
- supporting Deloitte's Talent strategy
- delivering **financial analysis** (pricing bids, reporting results, calculating projections and performing **data visualization**)
- engaging and **networking** with GPS client delivery teams
- executing OpX leadership **strategic projects**
