## 2022 EXCEPTIONAL CHILDREN EDUCATOR OF EXCELLENCE RECOGNITION

The Office of Exceptional Children's 71<sup>st</sup> Conference on Exceptional Children will be held at the Koury Convention Center in Greensboro on November 2-4, 2022. We desire to pay special tribute to educators of exceptional children and to present the 2022 Educator of Excellence Award to each nominee at the conference.

We will recognize one educator from each of the 115 traditional school systems, one each from the Division of Juvenile Justice and Delinquency Prevention, Division of Prison Education Services, Division of State Operated Healthcare Facilities, and Education Services for the Deaf and Blind Schools, and one educator per region from charter schools. Each educator will:

- Have special seating during the Thursday morning plenary session;
- Have his/her name listed with appropriate information in the conference program;
- Attend a ceremony in his/her honor on Thursday evening; and
- Have his/her picture with PSU and school name displayed at the conference.

Each recipient of the Educator of Excellence Award will receive a **paid registration** to the general conference (excluding pre-conference institutes) and one roundtrip mileage reimbursement to and from the conference. It is the responsibility of the school system, charter school, or state-operated program to reimburse the nominated teacher for lodging and subsistence. The nominee will be notified by the Office of Exceptional Children regarding conference registration processes as an Educator of Excellence.

To facilitate the selection process, the Office of Exceptional Children requests that:

- Local school systems identify one teacher or related service provider of exceptional children.
- Education Services for the Deaf and Blind identify one teacher or related service provider of exceptional children.
- Charter schools identify one teacher or related service provider of exceptional children. (One per region will be selected).
- Division of Prison Education Services identifies one teacher or related service provider of exceptional children from the schools under its oversight.
