Location:

Oregon Department of Emergency Management
3930 Fairview Industrial Dr SE
Salem OR 97302

Course Description:

Note - This course is a 40 hour course with homework assignments.

Students must have a working knowledge of the ICS core curriculum. The goal of this 40-hour course, E0449 Incident Command System (ICS) Curricula Train-the-Trainer, is designed to advance instructors knowledge and ability to deliver Incident Command System Curricula related training courses.

This delivery is taught by TEEX as course number MGT-906 Incident Command System (ICS) Curricula, Train-the-Trainer. Course is exactly the same as ELK0449 Incident Command System (ICS) Curricula, Train-the-Trainer by the Emergency Management Institute. Participants will receive a MGT-906 and L0449 course certificate upon completion.

Course Objectives

- Explain the background of ICS training development.
- Identify key requirements and elements within the NIMS Training Program that relate to ICS training courses.
- Identify appropriate instructional techniques for the delivery of ICS curricula and facilitation of course activities.
- Identify critical teaching points, participant challenges, and desired outputs for each of the ICS training courses.
- Explain how to coordinate and execute course deliveries.

Selection Criteria

Participants must have successfully:

- Completed the prerequisite courses
- Completed recognized training to achieve qualifications in techniques of instruction and adult education methodologies
- Must qualify as either a Lead or Unit instructor as noted in the NIMS Training Program
