To meet the needs of all students in Wyoming who have low vision or are blind, the Wyoming Department of Education (WDE) will host a [Pathways to Success](#) Conference on June 21-22, 2022 in Casper. Day one of this training will target the needs of Wyoming students who have complex needs in addition to low vision or blindness and day two will focus on the needs of students who are just blind or have low vision.

This conference is targeted at any and all staff responsible for working with students within the age of transition from 14-21 in hopes of better preparing these students for postsecondary success. Conference participants can earn PTSB credits.

The conference will be held at the Hilton Garden Inn, Casper. Registration is \$125 per attendee. A block of rooms is available at the Hilton Garden Inn for \$109 per night. Any team wishing to invite high school students and their parents can contact Jennifer D'Alessandro, as the WDE will waive their registration fee.
