

AN ETHICAL APPROACH TO SCHOOL MENTAL HEALTH FOR OCCUPATIONAL THERAPY PRACTITIONERS

LIVE VIRTUAL SESSION: APRIL 6, 2022 | 3:00PM - 4:30PM

RECORDED SESSION AVAILABLE MAY 1, 2022

.15 CEUS (1.5 HOURS) WILL BE OFFERED

This virtual ethics course for school-based OT practitioners will include an overview of school mental health, the role of OT in supporting the needs of staff and students, and connections to the AOTA Code of Ethics (2020). We will celebrate current practices, discuss common ethical dilemmas, problem-solve ethical solutions, and envision the future of OT in school mental health. Participants have the option to attend the live session or view the recorded session. The recorded session will be available until June 30th for CEUs.
