# 2020 MIPS Data Validation – Promoting Interoperability Performance Category Changes

| Promoting Interoperability Measure ID | Promoting Interoperability Measure Name | V1 03102020 2020 Changes |
|---|---|---|
| General | N/A | • Changed date in all header cells from 2019 to 2020<br>• For consistency across documentation requirements, updated language to read "a dated report or screenshot" |
| PI_EP_3 | Verify Opioid Treatment Agreement | Removed measure for CY 2020 |
| PI_CUITC_1 | Support Electronic Referral Loops by Receiving and Incorporating Health Information Exclusion 1 | Removed measure exclusion for the Support Electronic Referral Loops by Receiving and Incorporating Health Information (PI_HIE_4) for CY 2020 |
| PI_LVITC_2 | Support Electronic Referral Loops by Receiving and Incorporating Health Information Exclusion | • Removed the reference to PI_CUITC_1<br>• Added "during the performance period" to the description to match description in the final rule |
| PI_PHCDRR_1_MULTI | Immunization Registry Reporting to Multiple Immunization Registries | Updated measure description from "Report as true" to "Report as YES or TRUE value" |
| PI_PHCDRR_2_MULTI | Syndromic Surveillance Reporting for Multiple Registry Engagement | Updated measure description from "Report as true" to "Report as YES or TRUE value" |
| PI_PHCDRR_2_EX_1 | Syndromic Surveillance Exclusion 1 | Updated verbiage of documentation requirements |
| PI_PHCDRR_3_MULTI | Electronic Case Reporting for Multiple Registry Engagement | Updated measure description from "Report as true" to "Report as YES or TRUE value" |
| PI_PHCDRR_3_EX_1 | Electronic Case Reporting Exclusion 1 | Updated verbiage of documentation requirements |
| PI_PHCDRR_4_MULTI | Public Health Registry Reporting for Multiple Registry Engagement | Updated measure description from "Report as true" to "Report as YES or TRUE value" |
| PI_PHCDRR_4_EX_1 | Public Health Registry Reporting Exclusion 1 | Updated verbiage of documentation requirements |
| PI_PHCDRR_5_MULTI | Clinical Data Registry Reporting for Multiple Registry Engagement | Updated measure description from "Report as true" to "Report as YES or TRUE value" |
| PI_PHCDRR_5_EX_1 | Clinical Data Registry Reporting Exclusion 1 | Updated verbiage of documentation requirements |
