Amendment 2
Miguel Urbán Crespo
on behalf of The Left Group

Joint motion for a resolution
PPE, S&D, Renew, Verts/ALE, ECR
COVID 19 pandemic in Latin America

Joint motion for a resolution
Paragraph 11 a (new)

Joint motion for a resolution	*Amendment*
	11a. ***Highlights that biodiversity is declining in the region and globally at rates unprecedented in human history and recalls that the World Health Organization has reported that biodiversity loss, largely due to deforestation, is a driver of zoonotic pathogens such as COVID-19; denounces the fact that EU consumption represents around 10 % of the global share of deforestation through its high dependency on imports of agricultural commodities such as palm oil, meat, soy, cocoa, maize, timber and rubber; calls for the EU to cease the import of goods, including agricultural goods and minerals, when their extraction or production causes the destruction or degradation of biodiversity; urges the EU not to negotiate and/or ratify trade agreements which may increase deforestation or biodiversity loss;***
