

Keep your kid engaged with a **SUMMER CAMP**

Enroll your child in an academic summer camp and apply for a stipend to help you pay for it!

Explore interests in:

- English
- Fine Arts
- Humanities
- Mathematics
- Performing Arts
- Science
- Social Studies
- World Languages and Cultures

The Summer Academic Enrichment Program (SAEP) provides stipends on a first-come, first-serve basis, to cover all or a portion of the direct cost of eligible summer academic enrichment programs for students in grades 3-11.

Students can be awarded one stipend of a maximum amount of \$1,000 that will be directly paid to the program they enroll in.

Are you eligible for a stipend from the **SAEP?**

Apply for an stipend if your child:

- Is a Minnesota resident and a student (3rd - 11th grade) attending an eligible summer enrichment program.
- Is eligible for free or reduced priced meals or meets income requirements.

If your child is in grades 7-11, they must have either an overall “C” average or its equivalent for the most recently recorded academic term in the subject area applicable to the summer program they wish to attend.

How do you **Apply?**

You must apply directly to the eligible summer program. The summer program will complete the online application for a stipend from the Summer Academic Enrichment Program. Funds will be processed and will go directly to the eligible summer program.

Explore the eligible Summer Academic Enrichment programs to find the right match for your child's interests!

Visit ohe.state.mn.us/SAEP or contact directly the program to get you started:
