(i) Essential oil, which is natural oil typically obtained by distillation and possessing the characteristic fragrance of the plant or other source from which it is extracted;

(ii) Oleoresin, which is a natural or artificial mixture of essential oils and a resin;

(iii) Distillate; or

(iv) Any product of roasting, heating, or enzymolysis which contains terpenes.

(b) "Synthetic terpenes" means any terpene that does not occur in the cannabis plant, or in other botanical sources, and is produced through chemical manipulation in a laboratory or similar facility.

(c) "Terpenoids" means the natural products and related compounds formally derived from isoprene units, or "isoprenoids," that have the same meaning as that found in the current version of the International Union of Pure and Applied Chemistry (IUPAC) and as hereafter amended.

(41) "Unit" means an individually packaged marijuana-infused solid or liquid product meant to be eaten or swallowed, not to exceed ten servings or one hundred milligrams of active tetrahydrocannabinol (THC), or Delta 9.

~~((40))~~ (42) "WSLCB" means the Washington state liquor and cannabis board.

## NEW SECTION

**WAC 314-55-550 Marijuana vapor products.** (1) The purpose of this section is to:

(a) Support and further the protection of public health and prevention of youth access consistent with RCW 69.50.101(xx).

(b) Mitigate the risks to public health and youth access by prohibiting the use of any additive, solvent, ingredient, or compound in

marijuana vapor product production and processing when appropriate, consistent with RCW 69.50.342 (1)(m).

(c) Mitigate the risks to public health and youth access by prohibiting any device used in conjunction with a marijuana vapor product when appropriate, consistent with RCW 69.50.342 (1)(n).

(2) Procedure for prohibited substances.

(a) The board may prohibit any type of device used in conjunction with a marijuana vapor product, and may prohibit the use of any type of additive, solvent, ingredient, or compound in the production of marijuana vapor products that may pose a risk to public health or youth access.

(b) The board may consider, following consultation with the department of health or other authority the board deems appropriate, any relevant data when determining whether a device, additive, solvent, ingredient or compound may pose a risk to public health or youth access including, but not limited to:

(i) Case report data;

(ii) Other local, state and federal agency findings, reports, etc.;

(iii) A product or substance that is the subject of a recall under WAC 314-55-225;

(iv) Any other information sourced and confirmed from reliable entities.

(c) The board may prohibit the use of a product or substance by adoption of emergency or permanent rules. The board will provide notices of rule making consistent with the requirements of chapter 34.05 RCW.

(d) The board will maintain a list of prohibited substances prohibited by permanent or emergency rules on its website.

(e) The list of prohibited substances will be reviewed on an annual basis.

(f) Prohibited substances may be removed from the list of prohibited substances if the board determines, after a review consistent with (b)(i) through (iv) of this subsection, that it no longer poses a risk to public health or youth access.

NEW SECTION

**WAC 314-55-1055 Ingredient disclosure.** (1) All licensed marijuana processors and producers must disclose all ingredients used in the production of marijuana concentrates for inhalation and marijuana-infused extracts for inhalation.

(2) All chemicals, compounds, additives, preservatives, thickening agents, terpenes, and other substances used at any point in the production or processing of marijuana concentrates for inhalation or marijuana-infused extracts for inhalation, regardless of source or origin, must be disclosed to the board as follows:

(a) On a form provided by the board and stored by the licensee, either electronically or in hard copy, and made available for inspection if requested by an employee of the board; and

(b) In a manner directed by the board including, but not limited to, submission to an email address or other online platform provided and maintained by the board.

(3) The complete list of all chemicals, compounds, additives, preservatives, thickening agents, terpenes, and other substances used at any point in the production or processing of marijuana concentrates for inhalation or marijuana-infused extracts for inhalation, regardless of source or origin, that is required under subsection (2) of this section must be kept and maintained, consistent with recordkeeping requirements described in WAC 314-55-087, at the facility in which the products are processed. The list must be updated whenever there is any change in product composition.
