#### SUPPLEMENTARY INFORMATION:

##### Background

The Administrator of the GSA established the Green Building Advisory Committee (hereafter, “the Committee”) on June 20, 2011 (76 FR 118) pursuant to Section 494 of the Energy Independence and Security Act of 2007 (42 U.S.C. 17123, or EISA), in accordance with the provisions of the Federal Advisory Committee Act (FACA), as amended (5 U.S.C. App. 2). Under this authority, the Committee advises GSA on how the Office of Federal High-Performance Buildings can most effectively accomplish its mission. Information about this Office is available online at <http://www.gsa.gov/hpb>. Information about the Committee, including current members, is available on GSA’s website at <http://www.gsa.gov/gbac>.

The EISA statute authorizes the Committee and identifies categories of members to be included. The categories that are the subject of this notice are defined at EISA § 494(b)(1)(B) as:

- “environmental health experts, including those with experience in children’s health.”
- “building experts, including . . . construction contractors.”

**Member responsibilities:** Approved Committee members will be appointed to terms of either 2 or 4 years with the possibility of membership renewals as appropriate. Membership is limited to the specific individuals appointed and is non-transferrable. Members are expected to attend all meetings in person, review all Committee materials, and actively provide their advice and input on topics covered by the Committee. Committee members will not receive compensation or travel reimbursements from the Government except where need has been demonstrated and funds are available.

**Request for membership nominations:** This notice provides an opportunity for individuals to present their qualifications and apply for an open seat on the Committee. GSA will review and consider all applications and determine which candidates are likely to add the most value to the Committee based on the criteria outlined in this notice.

No person who is a federally-registered lobbyist may serve on the Committee, in accordance with the Presidential Memorandum “Lobbyists on Agency Boards and Commissions” (June 18, 2010).

**Nomination process for Advisory Committee appointment:** Individuals

may nominate themselves or others. Requirements include:

- At least 5 years of high-performance building experience, which may include a combination of project-based, research and policy experience.
- Academic degrees, certifications and/or training demonstrating high-performance building and related sustainability and real estate expertise.
- Knowledge of federal sustainability and energy laws and programs.
- Proven ability to work effectively in a collaborative, multi-disciplinary environment and add value to the work of a committee.
- Qualifications appropriate to the specific statutory requirement of an Environmental Health Expert or a Construction Expert, with expertise applicable to public/commercial building design & operation.

A nomination package shall include the following information for each nominee: (1) A letter of nomination stating the name and organizational affiliation(s) of the nominee, nominee’s field(s) of expertise, specific qualifications as an Environmental Health Expert or a Construction Expert to the Committee, and description of interest and qualifications; (2) A professional resume or CV; and (3) Complete contact information including name, return address, email address, and daytime telephone number of the nominee and nominator.

GSA reserves the right to choose Committee members based on qualifications, experience, Committee balance, statutory requirements and all other factors deemed critical to the success of the Committee. Candidates may be asked to provide detailed financial information to permit evaluation of potential conflicts of interest that could impede their work on the Committee, in accordance with the requirements of FACA. All nominations must be submitted in sufficient time to be received by 5:00 p.m., Eastern Daylight Time (EDT), on Thursday, February 13, 2020, and be addressed to [ken.sandler@gsa.gov](mailto:ken.sandler@gsa.gov).

##### Kevin Kampschroer,

*Federal Director, Office of Federal High-Performance Buildings, Office of Government-wide Policy.*
