**What can I do
today?**

This week it is ...shoes

Saturday

Pete the Cat!

- Eric Litwin and James Dean write some fantastic stories about Pete the Cat and his shoes; 'Pete the Cat: I love my white shoes' and 'Pete the Cat: Rocking in my School Shoes'.
- Either share the story with your child by loaning the books from your local library or search on YouTube for readings of them.
- Pete the Cat: Rocking in my School Shoes is a great way to start a conversation with your child about starting school and any worries your child may have.
- You could draw some shoe shapes on paper or card for your child to decorate Pete a cool new pair of shoes. Be imaginative – use paint, pens or stick things on them to make them really unique!
