Expected Behavior

An Online Learning Social Story

School is closed so that I can stay healthy and stop the spread of the Coronavirus.

I will see my teachers and friends through online learning.

I need to have expected behavior when I am learning online.
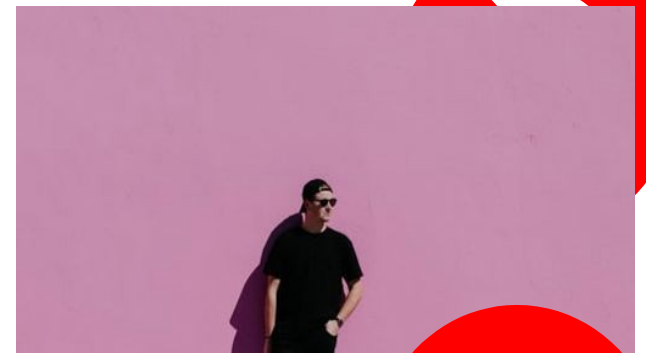

I need to be on time. Being on time shows that I am ready to learn!

I need to make sure that people can see my whole face in the screen.
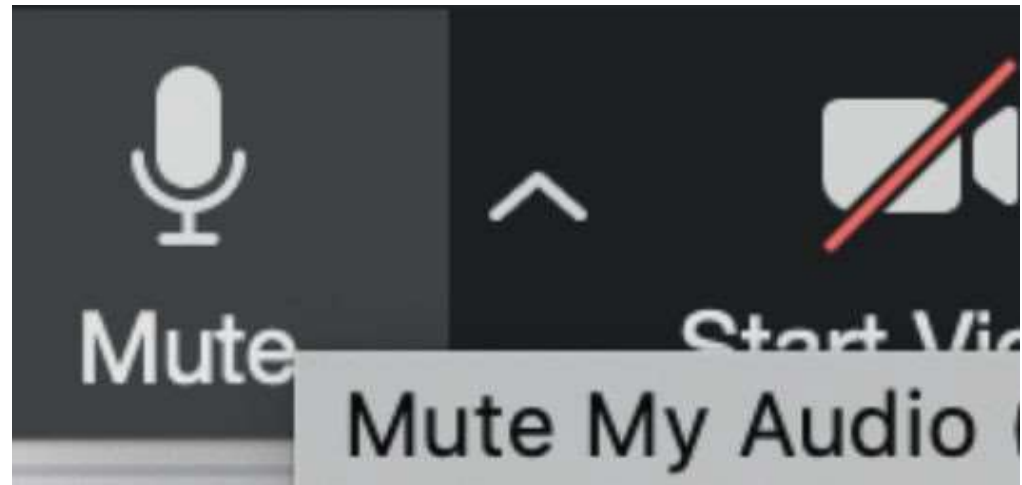

I should not be very close or far away.

I need to wait for my turn to talk.

If I want to say something, I can raise my hand, use the raise my hand button or say, "Excuse me."
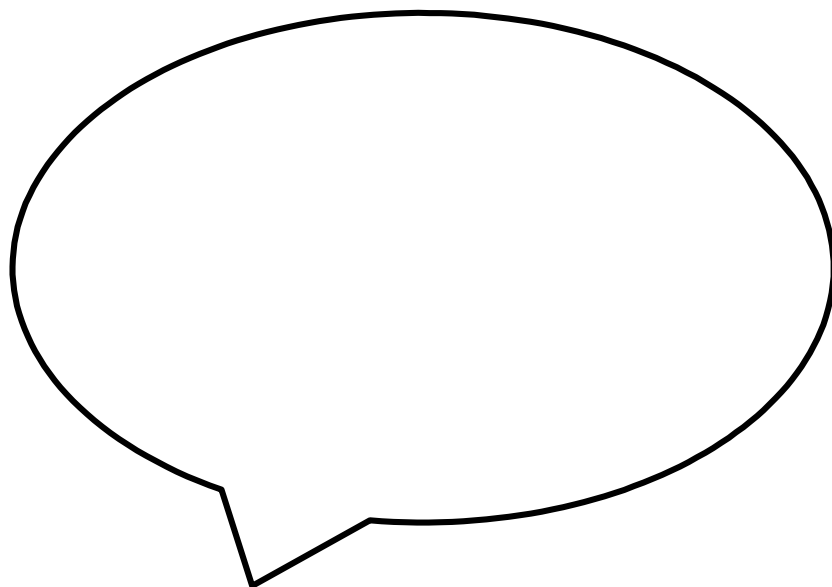

If it is not my turn to talk, I need to have a quiet voice or I can mute my microphone.

If someone asks me a question, I need to respond.

I need to make sure I am talking loud enough for people to hear me.

I need to make sure I am using kind words.

If I do not use kind words, my teachers and friends will be sad.

Hi Friends! How are you?
I'm looking forward to
 learning new things.
Let's have a great day!

I can have expected behavior during online learning!
