

Cumbria County Council  
*Early Years Team*

**What can I do  
today?**

**This week it is ...shoes**

## **Sunday**

### **Shoe box worlds**

- Shoe boxes make fantastic small worlds for your children to play with and are easy to take with you out and about.
- You could turn one into a jungle for wild animal toys, a miniature dolls house for small figures or perhaps a moon scene for rockets and astronauts.
- Use your child's toys or interests to inspire you.
- Not only can your child have fun creating the world, but they can use their imagination in their play afterwards.
