

## Parent/Guardian Letters - Individual Reading Plans/Intervention

Below are the links to the Parent/Guardian Letters that can be used to fulfill the parent/guardian notification stipulations as outlined in state and federal requirements. These are “view only” links, so you will need to download the documents in order to edit them. You will also be able to remove the watermarks once you download the document. Also, you can customize only the portions of the letter highlighted in yellow. All other sections must remain as written.
