

DIGITAL INDEPENDENT SPECIALIST COLLEGE  
MANCHESTER

# WANT A CAREER IN DIGITAL?

## WHAT IS A SUPPORTED INTERNSHIP?

It is an opportunity to get experience of working in a creative and digital studio in Manchester's City Centre. We provide you with hands on learning in a nurturing office environment, with industry standard kit, professional training and job coaching. It is a safe and specialised environment designed to meet the needs of neurodiverse young people.

**WHO IS IT FOR?** It is for young people 16-24, resident in Manchester LA who have SEND but **NOT** an EHCP and have a passion for digital work. It's for neurodiverse young people who want support to get that first job and a brilliant career.

**WHAT JOBS CAN DISC LEAD TO?** Graphic designer, videographer, programmer, game designer, social media manager, UX/UI designer, motion graphics artist, photographer, web designer, full stack developer, digital marketer, animator and many other roles.

**Text or Call on Whatsapp now to arrange a visit:**

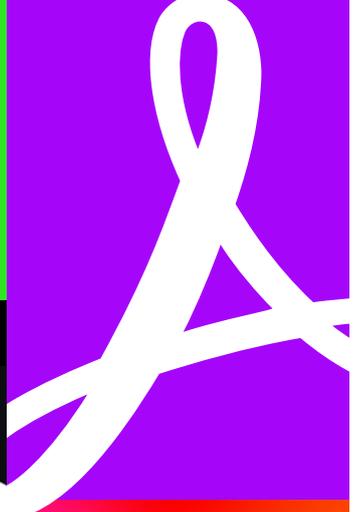

HOLYOAKEHOUSE, HANOVER STREET, M4 4AH | @WEAREDISCMCR | WWW.DISC.AC.UK

'You all have really impacted my life in the best way possible. Every day you work so hard for me and the others; you give us the best and you all are the most kind-hearted and supportive people I have ever met. At the start I was worried I'd struggle to make friends, but I am surrounded by friends every day.'

**CAPRICE**  
Graphic Designer  
and Illustrator
