[NSF 19-044 DCL](#): Fundamental Discipline-Based Education Research (DBER) Focused on Undergraduate and Graduate STEM Education within the EHR Core Research (ECR) Program

July 9, 2020

From 3:00PM to 4:00PM

[REGISTER HERE](#)

The EHR Core Research (ECR) program officers will provide an overview of the funding opportunities available in the EHR Core Research Solicitation (NSF 19-508) and answer questions from participants. The webinar has been recorded and posted so those who cannot attend can listen to the webinar at any time. We also will send the webinar slides to those who attend each session. We suggest reviewing solicitation NSF 19-508 before the webinar to prepare your questions for program officers.

Registration is required so we can communicate with you before and after the webinar (there is no need to email the program directly).

[Register for ECR Webinars](#)

After registering, you will automatically receive instructions by email from Zoom for joining the webinar. If you don't receive the email, please check your junk or clutter folders.
