## What can I do today?

**This week it is ... bottles!**

### Sunday

#### Bingo bottle lids!

- Collect plastic milk bottle lids for a game of homemade bingo!
- Write, draw or stick numbers, letters, shapes, colours or pictures (character stickers in magazines would be great!) inside the milk bottle lids. Then make some base cards to go with them (see picture)
- Pop the milk bottle lids in a bag or box and pick someone to be caller. If your picture/number/letter is pulled out you get to put it on your board. Once your board is full shout out "bingo!"
- Throughout the game talk about how many you still need, who is in the lead?
