Part III - Administrative, Procedural, and Miscellaneous

Determination of Housing Cost Amounts Eligible for Exclusion or Deduction for 2020

Notice 2020-13

## SECTION 1. PURPOSE

This notice provides adjustments to the limitation on housing expenses for purposes of section 911 of the Internal Revenue Code for specific locations for 2020. These adjustments are made on the basis of geographic differences in housing costs relative to housing costs in the United States.

## SECTION 2. BACKGROUND

Section 911(a) allows a qualified individual to elect to exclude from gross income the foreign earned income and housing cost amount of such individual. The term "housing cost amount" is generally the total of the housing expenses for the taxable year minus a base housing amount. See § 911(c)(1). For this purpose, the base housing amount for the taxable year is limited to an amount that is tied to the maximum foreign earned income exclusion amount, which is $\$ 107,600$ for 2020. See § 911(c)(1)(B) and (d)(1). Specifically, the base housing amount is 16 percent of the maximum foreign earned income exclusion amount (computed on a daily basis), multiplied by the number of days in the applicable period that fall within the taxable year.

Assuming that the entire taxable year of a qualified individual is within the applicable period, the base housing amount for 2020 is $\$ 17,216$ ( $\$ 107,600 \times .16$ ).

Similarly, the housing expense amount is also limited, based on a percentage of the maximum foreign earned income exclusion amount. Specifically, the limit on such housing expenses generally equals 30 percent of the maximum foreign earned income exclusion amount (computed on a daily basis), multiplied by the number of days in the applicable period for which the taxpayer is a qualified individual. See § 911(c)(2)(A) and (d)(1). Thus, under this general limitation, a qualified individual whose entire taxable year is within the applicable period is limited to maximum housing expenses of $\$ 32,280$ (\$107,600 x .30) for 2020. However, section 911(c)(2)(B) authorizes the Secretary to issue regulations or other guidance to adjust the percentage under section 911(c)(2)(A)(i) (which determines the limit on housing expenses) based on geographic differences in housing costs relative to housing costs in the United States. Pursuant to this authority, the Department of the Treasury (Treasury Department) and the Internal Revenue Service (IRS) have published annual notices concerning the limitation on the section 911 housing cost amounts since the 2006 taxable year.

For more background on the foreign housing exclusion, see https://www.irs.gov/individuals/international-taxpayers/foreign-housing-exclusion-ordeduction.

## SECTION 4. OPTION TO APPLY 2020 ADJUSTED HOUSING LIMITATIONS

## TO 2019 TAXABLE YEAR

For some locations, the limitation on housing expenses provided in Section 3 of this notice may be higher than the limitation on housing expenses provided in the "Table of Adjusted Limitations for 2019" in Notice 2019-24. A qualified individual incurring housing expenses in such a location during 2019 may apply the adjusted limitation on housing expenses provided in Section 3 of this notice for 2020 in lieu of the amounts provided in the "Table of Adjusted Limitations for 2019" in Notice 2019-24 (and as set forth in the Instructions to Form 2555, Foreign Earned Income, for 2019).

The Treasury Department and the IRS anticipate that future annual notices providing adjustments to housing expense limitations will make a similar option available to qualified individuals that incur housing expenses in the immediately preceding year. For example, when adjusted housing expense limitations for 2021 are issued, it is expected that taxpayers will be permitted to apply those adjusted limitations to the 2020 taxable year.
