Subject: Student Safety Reporting

This memo serves as a reminder that all Student Safety Reporting data collections close on Thursday, June 30.

Indiana's Student Safety Reporting Law (IC 20-34-6-1) requires school corporations to report student bullying, arrest, and gang data for each school to the Indiana Department of Education (IDOE). These data submissions are now included on the DOE-ES Report (discipline report) via the STN Application Center data transfer function. **This data collection will open on Friday, April 8 and close Thursday, June 30.** Questions related to the submission of this data can be directed to the STN administrator for your school corporation. More information can also be found on IDOE's website: https://www.doe.in.gov/safety/student-safetybullying-reporting.

Additionally, Indiana Code 20-34-6-1 requires each school corporation to submit data to IDOE related to law enforcement presence in schools. **This data collection is open now and will close Thursday, June 30.** To complete this data collection, please use this link: https://form.jotform.com/203553810756961.
