Obtaining Information From Financial Institutions

AGENCY: Department of the Army, DoD.

ACTION: Final rule.

SUMMARY: This final rule removes the Department of the Army (DA) regulation, which describes the procedures for complying with the Right to Financial Privacy Act (RFPA). On May 29, 2019, the Department of Defense (DoD) revised its overarching regulation for compliance with the RFPA which supersedes this part. This part is now unnecessary and should be removed from the CFR.

DATES: This rule is effective on November 6, 2019.

FOR FURTHER INFORMATION CONTACT: Mr. Daniel Perkins, 703–614–3309.

SUPPLEMENTARY INFORMATION: The overarching DoD regulation at 32 CFR part 275, “Right to Financial Privacy Act,” was revised on May 29, 2019 (84 FR 24708). That rule updates policies, responsibilities, and prescribes procedures for obtaining access to financial records maintained by financial institutions. It implements 12 U.S.C. Chapter 35 by providing guidance on the requirements and conditions for obtaining financial records. The DA regulation at 32 CFR part 504, “Obtaining Information from

Financial Institutions,” last updated on October 19, 2005 (70 FR 60723), provides DA policies, procedures, and restrictions governing access to and disclosure of financial records maintained by financial institutions during the conduct of Army investigations or inquiries. The revision of 32 CFR part 275 supersedes the rule at 32 CFR part 504, necessitating its removal from the CFR.

The DA has determined that publication of this removal action for public comment is unnecessary because the policies removed are currently articulated in 32 CFR part 275, and internal DA policies will continue to be maintained in Army Regulation 190–6, “Obtaining Information from Financial Institutions” (last updated February 9, 2006, and available at https://armypubs.army.mil/ProductMaps/PubForm/Details.aspx?PUB_ID=50304).

This rule is not significant under Executive Order (E.O.) 12866, “Regulatory Planning and Review.” Therefore, the provisions of Executive Order 13771, “Reducing Regulation and Controlling Regulatory Costs,” are not applicable to this removal action.

This removal supports a recommendation of the DoD Regulatory Reform Task Force.

32 CFR Chapter XII

[Docket ID: DOD–2019–OS–0091]

Defense Logistics Agency

ACTION: Final rule.

SUMMARY: The Department of Defense is publishing this technical amendment to amend the chapter heading that relates to the Defense Logistics Agency (DLA), which is a component of the Department of Defense. In revising this chapter heading, the Department of Defense is establishing that the DLA is

a component office and not a separate agency.

DATES: This rule is effective on November 6, 2019.

FOR FURTHER INFORMATION CONTACT: Patricia Toppings at 571–372–0485.

SUPPLEMENTARY INFORMATION: Title 32, Subtitle B, Chapter XII of the CFR is titled “Defense Logistics Agency.” According to the Office of the Federal Register’s interpretation of 1 CFR chapter I, the DLA as the sole “owner” of this chapter is the only agency that can amend these regulations. However, the DLA is not an agency separate from the Department of Defense, but a component of it.

Adding the Department of Defense to the heading of chapter XII establishes that the DLA is part of, and subordinate to, the Department of Defense with respect to authority over chapter XII. This ensures that the Department of Defense can also amend chapter XII when necessary. Therefore, the Department of Defense is updating the title of Chapter XII.

SUBTITLE B—[AMENDED]

■ Accordingly, by the authority of 5 U.S.C. 301, 32 CFR chapter XII is amended by revising the heading of chapter XII to read Chapter XII—Department of Defense, Defense Logistics Agency.

Dated: October 25, 2019.

Safety Zone; Missouri River, Mile Markers 377.5 to 378, Parkville, MO

AGENCY: Coast Guard, DHS.

ACTION: Temporary final rule.

SUMMARY: The Coast Guard is establishing a temporary safety zone for all navigable waters of the Missouri River from mile marker 377.5 to mile marker 378. This action is necessary to provide for the safety of life on these navigable waters near the Platte Landing Park, Parkville, MO during a fireworks display on December 6, 2019. This rule

prohibits persons and vessels from entering the safety zone unless authorized by the Captain of the Port Sector Upper Mississippi River (COTP) or a designated representative.

DATES: This rule is effective from 8 p.m. through 9:30 p.m. on December 6, 2019.

NPRM Notice of proposed rulemaking
§ Section
U.S.C. United States Code

II. Background Information and Regulatory History

The Coast Guard is issuing this temporary rule without prior notice and opportunity to comment pursuant to authority under section 4(a) of the Administrative Procedure Act (APA) (5 U.S.C. 553(b)). This provision authorizes an agency to issue a rule without prior notice and opportunity to comment when the agency for good cause finds that those procedures are “impracticable, unnecessary, or contrary to the public interest.” Under 5 U.S.C. 553(b)(B), the Coast Guard finds that good cause exists for not publishing a notice of proposed rulemaking (NPRM) with respect to this rule because it is impracticable. We must establish this safety zone by December 6, 2019, and we lack sufficient time to provide a reasonable comment period and then consider those comments before issuing the rule. The NPRM process would delay establishment of the safety zone until after the date of the firework display and compromise public safety.

Under 5 U.S.C. 553(d)(3), the Coast Guard finds that good cause exists for making this rule effective less than 30 days after publication in the **Federal Register**. Delaying the effective date of this rule would be contrary to public interest because immediate action is necessary to respond to the potential

safety hazards associated with the firework display over the Missouri River.

III. Legal Authority and Need for Rule

The Coast Guard is issuing this rule under authority in 46 U.S.C. 70034 (previously 33 U.S.C. 1231). The Captain of the Port Sector Upper Mississippi River (COTP) has determined that potential hazards associated with the firework display over the Missouri River will be a safety concern for anyone in the zone. This rule is needed to protect persons, vessels, and the marine environment on the navigable waters within the safety zone while the firework display is being conducted.

IV. Discussion of the Rule

This rule establishes a temporary safety zone from 8 p.m. through 9:30 p.m. on December 6, 2019 or until the firework display is completed, whichever occurs first. The safety zone covers all navigable waters from mile marker 377.5 to mile marker 378 on the Missouri River.

The duration of this safety zone is intended to protect persons, vessels, and the marine environment on these navigable waters while the fireworks display is being conducted. No vessel or person will be permitted to enter the safety zone without obtaining permission from the COTP or a designated representative. A designated representative is a commissioned, warrant, or petty officer of the U.S. Coast Guard assigned to units under the operational control of USCG Sector Upper Mississippi River. To seek entry into the safety zone, contact the COTP or a designated representative via VHF–FM channel 16 or by telephone at 314–269–2332. Persons and vessels permitted to enter this closure must transit at their slowest safe speed and comply with all lawful directions issued by the COTP or the designated representative.

The COTP or a designated representative will inform the public of the enforcement date for this safety zone, through Local Notices to Mariners (LNMs), Broadcast Notice to Mariners (BNM), and/or Marine Safety Information Bulletins (MSIBs) as appropriate.

V. Regulatory Analyses

We developed this rule after considering numerous statutes and Executive orders related to rulemaking. Below we summarize our analyses based on a number of these statutes and Executive orders, and we discuss First Amendment rights of protestors.
