Abstract: The Client Assistance Program (CAP) Annual Performance Report (Form RSA–227) will be used to analyze and evaluate the CAP program administered by eligible grantees in states. CAP grantees provide information to individuals with disabilities regarding the services and benefits available under the Rehabilitation Act of 1973 (Rehabilitation Act), as amended by Title IV of the Workforce Innovation and Opportunity Act (WIOA) and the rights afforded them under Title I of the Americans with Disabilities Act. In addition, CAP grantees are authorized to provide advocacy and legal representation to individuals seeking or receiving services under the Rehabilitation Act, in order to resolve disputes with programs providing such

services, including vocational rehabilitation services. RSA uses the form to meet specific data collection requirements of Section 112 of the Rehabilitation Act and its implementing Federal Regulations at 34 CFR part 370. CAP grantees must report annually using the RSA–227, which is due on or before December 30 each year.

The collection of information through Form RSA–227 has enabled RSA to furnish the President and Congress with data on the provision of client assistance services and has helped to establish a sound basis for future funding requests. Data is used to indicate trends in the provision of services from year-to-year, as well as evaluate the effectiveness of eligible grantees within individual states in meeting annual priorities and objectives.

The respondents to the RSA–227 is the client assistance program in each year. RSA received recommendations on the initial development of the RSA–227, including the frequency of reporting, from the National Disability Rights Network (NDRN), CAP programs, and other advocacy groups to ensure that the information requested could be provided with minimal burden to the respondents.
