

Cumbria County Council

What can I do this week?

This week it is...Christmas

Monday– Christmas toys

You will need:

- a paper plate
- some cardboard
- brown paint (you can make this by mixing green and red or orange and blue paint)
- something red for the nose - this could be a bobble a circle of red material or some paper coloured red
- Cut a circle in the middle of the paper plate. Paint it brown. Draw around hands to make the antlers and paint. Stick on Rudolf's nose. You could add a stick or string to make a mask.
- It is fun to dress up toys as Christmas characters and make up a story together about their Christmas adventures. Who could be Father Christmas?
