The purpose of this form is to track the custody and location of voting equipment, supplies and/or ballots from the time the voting equipment, supplies, and/or ballots leave the elections office until returned to the elections office. A signature is required whenever the equipment, supplies and/or ballots change hands or location. By signing the Chain of Custody Form the signer is certifying when he or she took custody of the voting equipment, supplies, and/or ballots and delivered it to a particular location. The person receiving custody of the equipment must examine the voting equipment, supplies, and/or ballots to ensure that all seals are in place and that all appears to be intact and in sufficient working order, as can best be determined by a visual inspection.
