What can I do today?

This week it is... cardboard boxes

Wednesday

Let your imagination lead the play!

- A cardboard box can be anything you want it to be ... a car, a rocket, a house, a castle or a boat.
- Use the box as it is or decorate it with pens or paint. What would you find in your choice? Does it need switches, buttons, a steering wheel, pictures or perhaps an anchor?
- What will happen in your box – will you have a tea party or are you traveling somewhere? What other items will you need? Do you need to pack a picnic?
- The story “Whatever Next!” by Jill Murphy would be a wonderful read
