

received a letter from the Commission that Virginia had taken corrective action to comply with the Atlantic Menhaden Plan, and that the Commission has withdrawn its determination of non-compliance.

Withdrawal of the Moratorium

Based on the Commission's May 12, 2020, letter, as well as information received from the Commonwealth of Virginia, and NMFS' review of Virginia's revised Atlantic menhaden regulations, NMFS concurs with the Commission's determination that Virginia is now in compliance with the Atlantic Menhaden Plan. Specifically, NMFS reviewed the Commission's Menhaden Plan and Virginia's recently approved management measures. The management measures implement a program that is consistent with the Atlantic menhaden management program set by the Commission to conserve menhaden in Chesapeake Bay and achieve the objectives specified in the Plan. Therefore, we concur with the Commission's finding that Virginia is now in compliance and that the moratorium on fishing for, possession of, and landing of Atlantic menhaden by the recreational and commercial fishermen within Virginia waters is no longer necessary to conserve the fishery. The moratorium, which was scheduled for June 17, 2020, is withdrawn.

Authority: 16 U.S.C. 5101 *et seq.*

Dated: June 1, 2020.
