

Cumbria County Council

What can I do today?

This week it is... cardboard boxes

Friday

Shoe box sorting

- Use a cardboard shoe box to make a sorting game.
- Cut slots in the box lid – some large and some small. Collect lids from bottles and jars to post into the slots.
- You could also add colour around the slots to help your child sort the lids. Stick coloured card on the lids to help your child match to the correct slots.
- Always supervise children playing with bottle lids.
