SUPPLEMENTARY INFORMATION:

Description: Public Law 104-193, the Personal Responsibility and Work Opportunity Reconciliation Act of 1996, amended 42 U.S.C. 666 to require State Child Support Enforcement (CSE) agencies to enact the Uniform Interstate

Family Support Act (UIFSA) into State law by January 1, 1998. Section 311(b) of UIFSA requires the States to use forms mandated by Federal law. 45 CFR 303.7(a)(4) also requires child support programs to use federally-approved forms in intergovernmental IV-D cases unless a country has provided alternative forms.

Proposed changes to the forms include updates for clarification and consistency to the instructions on all of the forms. Additional changes include:

- On the Child Support Enforcement Transmittal #3—Request for Assistance/Discovery, the addition of a new case processing action to facilitate payment processing for a direct Income Withholding Order, and the revision of the payment forwarding action.

- On the Declaration in Support of Establishing Parentage, the revision of the declaration signature section to make it consistent with the General Testimony and more flexible for cases involved children in foster care.

Respondents: State agencies administering a child support program under title IV-D of the Social Security Act.
