3. Delegate authority to the Sheriff, or his designee, as an agent for the County, to apply for and submit a grant application to FEMA for the Program in future Fiscal Years (FY), and to execute all required grant application documents including assurances and certifications, when and if such future funding becomes available.

PURPOSE/JUSTIFICATION OF RECOMMENDED ACTION

The purpose of the recommended action is to accept \$375,000 in grant funding from FEMA for the Program with a required match of \$125,000. The objective of the Program is to support all core capabilities in the prevention, protection, mitigation, response, and recovery from threats and hazards that pose a great risk to the United States. The Department provides the first layer of protection by patrolling the entire coastline of the County including San Clemente and Santa Catalina Islands, screening incoming ships for chemical, biological, radiological, nuclear, and explosive (CBRNE) materials prior to their entry into the ports of Los Angeles, Long Beach, Marina Del Rey Harbor, and various other piers and docks along the County's coast.

The grant funds will enhance the Department's port security capabilities by providing for the maintenance/repair services (Services and Supplies - \$500,000 including required match) for vessels on an as-needed basis over the grant period.

Implementation of Strategic Plan Goals

Approval of the recommended action is consistent with the County's Strategic Plan, Goal II.2.3, Foster Vibrant and Resilient Communities; Support the Wellness of Our Communities, by Prioritizing Environmental Health Oversight and Monitoring. The grant funds will be directed toward enhancing the capabilities of the Department's Port Security Program, which strengthens the County's capacity to effectively prevent, prepare for, and respond to emergent environmental and natural hazards, and reduce impacts to disproportionately affected communities.

FISCAL IMPACT/FINANCING

This will be the ninth grant award for the Program. The total Program cost is \$500,000 that includes a required match of \$125,000, which will be funded by the Department's General Support Services Budget Unit (Maintenance - \$125,000). Funding will be distributed to the Patrol Specialized and Unallocated Budget Unit.

The Federal grant award funds in the amount of \$375,000 will be used for Services and Supplies (maintenance).

FACTS AND PROVISIONS/LEGAL REQUIREMENTS

On May 22, 2019, the Department submitted an application in response to FEMA's Program grant solicitation. Upon review of the Department's application, FEMA selected the Department to be a grant recipient of \$375,000 with a required cash match of \$125,000.

The term of the Agreement is for a period of three years from September 1, 2019, through August 31, 2022.

The equipment and services funded under the Agreement will be procured in accordance with the County's purchasing policies and procedures.

The attached Agreement has been approved as to form by County Counsel.

IMPACT ON CURRENT SERVICES (OR PROJECTS)

This Board letter was forwarded to the Offices of the District Attorney, the Public Defender, and the Alternate Public Defender for review. Upon review of the Board letter, the Offices of the District Attorney, the Public Defender, and the Alternate Public Defender have confirmed that the Program will have no impact on their services.

The grant funding will have a positive impact on current services as it enhances the capabilities of the Department's Program and the ship screening operation of all incoming ships entering the ports of Los Angeles and Long Beach.

CONCLUSION

Upon the Board's approval, please return a copy of the adopted Board letter to the Department's Grants Unit.

Sincerely,

ALEX VILLANUEVA, SHERIFF

Therefore, for awards with an approved budget where the Federal share is greater than the simplified acquisition threshold (currently \$250,000), you may not transfer funds among direct cost categories, programs, functions, or activities without prior written approval from DHS/FEMA where the cumulative amount of such transfers exceeds or is expected to exceed ten percent (10%) of the total budget DHS/FEMA last approved.
