Indicator 8: Parent Involvement Survey

The Exceptional Children Division is requesting the Council on Educational Services for Exceptional Children, EC Directors, DPI staff, and parents complete a confidential questionnaire regarding the current questions used to survey parents/guardians of children with disabilities for family engagement in their child's school.

In an effort to increase participation in the Parent Survey – Special Education, the Exceptional Children Division would like to decrease the number of questions parents would be asked to respond to in future surveys. Please consider the value each of the current 25 questions provides to LEAs in helping to improve services and results for children and families by indicating whether the question should remain a part of future surveys.

Provide feedback by the end of **March 31, 2020** by using this link:

We look forward to these collaborative opportunities. If you have questions about the questionnaire, please contact Alexis Utz, alexis.utz@dpic.nc.gov.
