

Cumbria County Council

What can I do this week?

This week it is...Christmas

Tuesday– Snow

- Make snow together:
 - Mix 450 grams of corn flour or bicarbonate of soda with one cup of white hair conditioner.
 - If it is too sticky add more flour if it's too dry add more conditioner.
- This snow can be used to play with on its own or you could add pinecones, dinosaurs, small polar bears, penguins, any small world figures. Ensure your child does not put the snow in their mouths or rub their eyes when using it.
- You could make snowballs with it and knock down skittles you have made from cardboard tubes.
- If you would like cold snow you could:
 - Mix 1 cup of baking soda with $\frac{1}{4}$ cup of water.
 - Put it in the freezer for 4 or 5 minutes.
