Title: Voluntary Labeling Program for Biobased Products.

OMB Number: 0570-0071.

Expiration Date of Approval: September 30, 2020.

Type of Request: Extension of a currently approved information collection.

Abstract: Section 9002(h) of the Farm Security and Rural Investment Act (FSRIA) of 2002, as amended by the Food, Conservation, and Energy Act (FCEA) of 2008, the Agricultural Act of 2014, and the Agricultural Improvement Act of 2018, requires the Secretary of Agriculture to implement a voluntary labeling program that would enable qualifying biobased products to be certified with a "USDA Certified Biobased Product" label. USDA subsequently published the terms and conditions for voluntary use of the label. These terms and conditions can be found in the Code of Federal Regulations (CFR) at 7 CFR part 3202. To implement the statutory requirements of FSRIA, USDA will gather relevant product information on biobased products for which manufacturers and vendors seek certification to use the label. The information collected will enable USDA to evaluate the qualifications of biobased products to carry the USDA Certified Biobased Product label and to ensure that the label is used properly and in accordance with the requirements specified in 7 CFR part 3202. To the extent feasible, the information sought by USDA can be transmitted electronically using the website <http://www.biopreferred.gov>. If electronic transmission of information is not practical for some applicants, USDA will provide technical assistance to support the transmission of information to USDA.

Estimate of Burden: Public reporting burden for this collection of information is estimated to average 3 hours per response.

Respondents: Manufacturers and vendors who wish to apply the "USDA Certified Biobased Product" label to their biobased products. Participation is voluntary.

Estimated Number of Respondents: 200.

Estimated Number of Responses per Respondent: 3.

Estimated Number of Responses: 600.

Estimated Total Annual Burden on Respondents: 1,800 hours.

Copies of this information collection can be obtained from Robin M. Jones, Innovation Center—Regulations Management Division, at (202) 772-1172, Email: robin.m.jones@wdc.usda.gov.

All responses to this notice will be summarized and included in the request for OMB approval. All comments will also become a matter of public record.
