

Deletion of a portion of a site from the NPL does not itself create, alter, or revoke any individual's rights or obligations. Deletion of a portion of a site from the NPL does not in any way alter EPA's right to take enforcement actions, as appropriate. The NPL is designed primarily for informational purposes and to assist EPA management. Section 300.425(e)(3) of the NCP states that the deletion of a site or a portion of a site from the NPL does not preclude eligibility for future response actions, should future conditions warrant such actions.

IV. Basis for Partial Site Deletion

The EPA placed copies of a Site-Specific Justification for the Partial Deletion from the NPL of Operable Unit 1—Landfill Cap Area of the Douglas Road/Uniroyal, Inc. Landfill Superfund Site and other documents supporting the proposed partial deletion in the deletion docket. The material provides explanation of EPA's rationale for the partial deletion and demonstrates how OU1—Landfill Cap Area of the Douglas Road Site meets the NPL deletion criteria. This information is made available for public inspection in the docket identified above.

AGENCY: Environmental Protection Agency (EPA).

ACTION: Proposed rule; notice of intent.

SUMMARY: The Environmental Protection Agency (EPA) Region III is issuing a Notice of Intent to Delete the First Piedmont Rock Quarry (Route 719) Superfund Site (Site) located in Pittsylvania County, Virginia, from the National Priorities List (NPL) and requests public comments on this proposed action. The NPL, promulgated pursuant to section 105 of the Comprehensive Environmental Response, Compensation, and Liability Act (CERCLA) of 1980, as amended, is an appendix of the National Oil and Hazardous Substances Pollution Contingency Plan (NCP). The EPA and the Commonwealth of Virginia, through the Virginia Department of Environmental Quality (VDEQ), have determined that all appropriate response actions under CERCLA, other than operation and maintenance (O&M), monitoring, and five-year reviews, have been completed. However, this deletion does not preclude future actions under Superfund.
