

and Evaluation (OPRE), 330 C Street SW, Washington, DC 20201, Attn: ACF Reports Clearance Officer. All requests, emailed or written, should be identified by the title of the information collection.

SUPPLEMENTARY INFORMATION:

Description: ORR-5 is designed to satisfy the statutory requirements of the Immigration and Nationality Act (INA). Section 412(a)(3) of INA (8 U.S.C. 1522(a)(3)) requires that the Director of ORR make a periodic assessment of the needs of refugees for assistance and services and the resources available to

meet those needs. ORR proposes an extension with no changes to the current form until January 31, 2021, to ensure continuous information collection for FY 2020. ORR also proposes revisions to the current form for use after FY 2020. Revisions include collecting additional client-level data elements on the ORR-5 at multiple points in time, which will allow the ORR Director to better understand client goals, services utilized, and the outcomes achieved by the population ORR serves. New data elements include

additional demographics, primary goals identified and referrals made to work toward self-sufficiency, progress made toward achieving said goals, and employment status of employable refugees 12 months post-enrollment. The data collected will inform evidence-based policy making and program design. These revisions also enable ORR to monitor implementation of the requirements put forth in Policy Letter 19-07.

Respondents: States, Replacement Designees, and the District of Columbia.
