COMMODITY FUTURES TRADING COMMISSION

17 CFR Part 4

RIN 3038–AE76

Registration and Compliance Requirements for Commodity Pool Operators and Commodity Trading Advisors: Prohibiting Exemptions on Behalf of Persons Subject to Certain Statutory Disqualifications

AGENCY: Commodity Futures Trading Commission.

ACTION: Final rules.

SUMMARY: The Commodity Futures Trading Commission (CFTC or Commission) is adopting as final (Final Rule) an amendment to Regulation 4.13, which contains the regulations applicable to commodity pool operators (CPOs) and commodity trading advisors. The Final Rule generally prohibits persons who have, or whose principals have, in their backgrounds any of the statutory disqualifications listed in section 8a(2) of the Commodity Exchange Act (CEA or the Act) from claiming a CPO registration exemption under Regulation 4.13. Specifically, the Final Rule will require any person filing a notice claiming such exemption to represent that, subject to limited exceptions, neither the claimant nor any of its principals has in their backgrounds a CEA section 8a(2) disqualification that would require disclosure, if the claimant sought registration with the Commission.

DATES:

Effective Date: The effective date for this Final Rule is September 8, 2020.

Compliance Date: Compliance with the Final Rule will generally be required through the existing notice filing under Regulation 4.13(b)(1), 17 CFR 4.13(b)(1). Therefore, persons who, as of the Final Rule's effective date, have filed that notice and are currently relying on an exemption from CPO registration under Regulation 4.13 will be required to comply with the Final Rule when those persons next file a notice of exemption for the 2021 filing cycle, *i.e.*, on March 1, 2021. Persons claiming a Regulation 4.13 exemption for the first time on or after the Final Rule's effective date will be required to comply with the Final Rule when the person first files a notice of exemption.
