## Ignalina International Decommissioning Project

### LITHUANIA – General Procurement Notice

- **ORGANIZATION NAME:** State Enterprise Ignalina Nuclear Power Plant
- **OVERVIEW:** General procurement notice for a future nuclear decommissioning project financed from the Ignalina International Support Fund, from the European Bank for Reconstruction and Development (EBRD). The estimated total project value is EUR 59 million.
- **SCOPE OF WORK :** The project will include: services for developing the "dismantling design (including the safety justification), as well as to perform the dismantling and fragmentation, for the Drum-Separators (DS) and associated equipment located in the radiation and contamination-controlled zone of the INPP. It will also include separate procurement of FIDIC Engineer services to support implementation of the dismantlement, and any other activities, as necessary."
- **DEADLINE:** As soon as possible
