SUPPLEMENTARY INFORMATION:

Public Comments Invited: You are asked to comment on any aspect of this information collection, including (a) Whether the proposed collection of information is necessary for FAA's performance; (b) the accuracy of the estimated burden; (c) ways for FAA to enhance the quality, utility and clarity of the information collection; and (d) ways that the burden could be minimized without reducing the quality of the collected information. The agency will summarize and/or include your comments in the request for OMB's clearance of this information collection.

OMB Control Number: 2120-0033.

Title: Renewal of an information collection.

Form Numbers: FAA Form 8110-14.

Type of Review: Renewal of an information collection.

Background: The **Federal Register** Notice with a 60-day comment period soliciting comments on the following collection of information was published on November 7, 2018 (84 FR 60136). Information in this collection is voluntarily submitted by persons applying to become an FAA Designated Engineering Representative (DER). DERs represent the FAA on aircraft certification projects. They examine engineering design data and determining whether aircraft built according to that data comply with published FAA airworthiness standards. Collecting this information allows the FAA to evaluate the eligibility and qualifications of the DER applicant.

This application form, 8110-14, Statement of Qualifications, provides the FAA with contact information for the applicant, along with the applicant's requested authorities. It outlines the applicant's education and pertinent experience that, in conjunction with additional narratives and other detailed information, allows the FAA to make an informed decision whether to appoint the applicant as an FAA representative.

Respondents: Persons applying to become an FAA Designated Engineering Representative.

Frequency: One time submittal.

Estimated Average Burden per Response: 1.5 hours.

Estimated Total Annual Burden: One time submittal. No annual burden.

Issued in Washington, DC.

Joy Wolf,

*Directives & Forms Management Officer
(DMO/FMO), Aircraft Certification Service.*
