BILLING CODE 6717-01-P

ENVIRONMENTAL PROTECTION AGENCY

[EPA-HQ-OW-2020-0008; FRL-10008-96-OW]

Request for Comment on Whether EPA's Approval of a Clean Water Act Section 404 Program Is Non-Discretionary for Purposes of Endangered Species Act Section 7 Consultation

AGENCY: Environmental Protection Agency (EPA).

ACTION: Notice and request for comment.

SUMMARY: The Environmental Protection Agency (EPA) requests comment on whether the EPA should reconsider its current position that consultation under Endangered Species Act (ESA) section 7 is not required when the EPA approves a state or tribe's request to assume the Clean Water Act (CWA) section 404 dredged and fill permit program under the CWA. Comments in response to this document will be considered as the EPA reviews this position. If the EPA changes its current position, then the EPA would take the position that the Agency's decision as to whether to approve or disapprove a state's or tribe's request to assume the CWA section 404 permit program involves an exercise of discretion warranting consultation under ESA section 7. Section 7 consultation under the ESA would consequently apply to state and tribal requests to assume the CWA section 404 program and potentially subsequent program revisions, and the EPA would consult on its actions with the U.S. Fish and Wildlife Service (FWS) and the National Marine Fisheries Service (NMFS) (hereafter referred to as "the Services") under the ESA as appropriate.

DATES: Comments may be submitted on or before July 6, 2020.

ADDRESSES: The EPA has established a docket for this action under Docket ID No. EPA-HQ-OW-OW-2020-0008. All documents in the docket are listed on the <https://www.regulations.gov>

website. Although listed in the index, some information may not be publicly available, e.g., Confidential Business Information (CBI) or other information whose disclosure is restricted by statute. Certain other material, such as copyrighted material, may not be placed on the internet and will be publicly available only in hard copy form. Publicly available docket materials are available electronically through <https://www.regulations.gov>.

Instructions: All submissions received must include the Docket ID No. for this document. Comments received may be posted without change to <https://www.regulations.gov/>, including any personal information provided. Out of an abundance of caution for members of the public and our staff, the EPA Docket Center and Reading Room was closed to public visitors on March 31, 2020, to reduce the risk of transmitting COVID-19. Our Docket Center staff will continue to provide remote customer service via email, phone, and webform. We encourage the public to submit comments via <https://www.regulations.gov> or email, as there is a temporary suspension of mail delivery to the EPA, and no hand deliveries are currently accepted. For further information on the EPA Docket Center services and the current status, please visit us online at <https://www.epa.gov/dockets>.

I. General Information

A. Does this action apply to me?

States and tribes that have assumed or are considering assuming the administration of the CWA section 404 dredged or fill permitting program, as well as regulated entities and members of the public may be interested in

providing input on the issue described in this document.

B. What should I consider as I prepare my comments?

Submit your comments, identified by Docket ID No. EPA-HQ-OW-2020-0008, at <https://www.regulations.gov> (our preferred method), or the other methods identified in the **ADDRESSES** section. Once submitted, comments cannot be edited or removed from the docket. The EPA may publish any comment received to its public docket. Do not submit electronically any information you consider to be CBI or other information whose disclosure is restricted by statute. Multimedia submissions (audio, video, etc.) must be accompanied by a written comment. The written comment is considered the official comment and should include discussion of all points you wish to make. The EPA will generally not consider comments or comment contents located outside of the primary submission (e.g., on the web, cloud, or other file sharing system). For additional submission methods, the full EPA public comment policy, information about CBI or multimedia submissions, and general guidance on making effective comments, please visit <https://www.epa.gov/dockets/commenting-epa-dockets>.

The EPA is temporarily suspending its Docket Center and Reading Room for public visitors to reduce the risk of transmitting COVID-19. Written comments submitted by mail are temporarily suspended and no hand deliveries will be accepted. Our Docket Center staff will continue to provide remote customer service via email, phone, and webform. We encourage the public to submit comments via <https://www.regulations.gov>. For further information and updates on EPA Docket Center services, please visit us online at <https://www.epa.gov/dockets>.

The EPA continues to carefully and continuously monitor information from the Centers for Disease Control and Prevention (CDC), local area health departments, and our federal partners so that we can respond rapidly as conditions change regarding COVID-19.

II. Background

A. CWA Section 404 Dredged and Fill Material Permit Program

Section 404 of the CWA establishes a program to regulate the discharge of dredged or fill material into waters of the United States, which includes wetlands. Activities in waters of the United States regulated under this program include, for example, fill for
