Commission staff intends to prepare a single Environmental Assessment (EA) for the Rollinsford Project in accordance with the National Environmental Policy Act. The EA will consider both site-specific and cumulative environmental impacts and reasonable alternatives to the proposed action.

At this time, we do not anticipate holding on-site scoping meetings.

Instead, we are soliciting comments and suggestions on the preliminary list of issues and alternatives to be addressed in the EA, as described in Scoping Document 1 (SD1), issued February 28, 2020.

Copies of the SD1 outlining the subject areas to be addressed in the EA were distributed to the parties on the Commission's mailing list and the applicant's distribution list.
