SUPPLEMENTARY INFORMATION: The Council and Boards are established under the John D. Dingell, Jr., Conservation, Management, and Recreation Act, March 12, 2019 (Pub. L. 116-9).

The Theodore Roosevelt Genius Prize Advisory Council (Council) advises the Secretary of the Interior (Secretary) regarding the five Theodore Roosevelt Genius Prize competitions. The Council is regulated by the Federal Advisory Committee Act (FACA).

The Prize competitions encourage technological innovation with the potential to advance the mission of the Fish and Wildlife Service in the following areas of concern: (1) Preventing wildlife poaching and trafficking, (2) promoting wildlife conservation, (3) managing invasive species, (4) protecting endangered species, and (5) managing nonlethal human-wildlife conflict. The enabling legislation calls for annual cash prizes up to \$100,000 for each of the five competitions; potential awards could total \$500,000.

The Act establishes five Boards to help implement the Prizes. These Boards are responsible for selecting topics; issuing problem statements, consulting with Federal stakeholders, and advising prize winners regarding opportunities to pilot and implement winning technologies. Each Board must be made up of no fewer than nine members, appointed by the Secretary, including at least one member who is expert in the area of concern for that Board and other members expert in wildlife conservation and management, biology, technology development, engineering, economics, and business development and management.

The five Boards are established to focus on technology innovation related to (1) the prevention of poaching and wildlife trafficking, (2) the promotion of wildlife conservation, (3) the management of invasive species, (4) the protection of endangered species, and

(5) the nonlethal management of human-wildlife conflicts.

Additionally, under the Act, the Boards have an advisory duty: To develop recommendations for the Secretary regarding opportunities for technological innovation to assist in addressing the statute's five areas of concern. Establishment of the Council facilitates FACA compliance for the performance of the Boards' role advising the Secretary.

The Secretary will appoint Council members to serve until the Council is terminated on December 31, 2023, as is required by the Act. The Council will have at least 12 members, and each Board will have at least 9 members who may be members of the Council or experts from outside the Council. The Council and Boards will meet approximately two times per year and will minimize the administrative costs by encouraging remote participation.

The term "individual capacity" refers to individuals who are appointed to exercise their own individual best judgment on behalf of the Government, such as when they are designated as Special Government Employees (SGE), rather than being appointed to represent a particular interest.

Members of the Council and Boards appointed as SGEs are subject to applicable Federal ethics statutes and regulations, to include applicable exceptions and exemptions. The Department will provide materials to those members serving as SGEs, explaining their ethical obligations.
