DEPARTMENT OF ENERGY

Federal Energy Regulatory Commission

[Docket No. AD20–13–000]

Before Commissioners: Neil Chatterjee, Chairman; Richard Glick, Bernard L. McNamee, and James P. Danly; Delegated Authority; Order Temporarily Delegating Further Authority

1. The Commission, by this order, temporarily delegates further authority to the Director, Office of Energy Market Regulation, or the Director's designee, to take action on uncontested requests for

waiver of certain regulatory obligations to address needs resulting from steps entities have taken to meet the emergency conditions caused by the Novel Coronavirus Disease (COVID-19), as described below, effective as of the date of this order. The authority delegated herein is effective until June 1, 2020.

I. Background

2. On March 13, 2020, the President issued a proclamation declaring a National Emergency concerning COVID-19. Entities regulated by the Commission have had to take unprecedented actions in response to the emergency conditions, including directing staff to work remotely for an extended period, which may disrupt, complicate, or otherwise change their normal course of business operations. The March 19, 2019 Notice Granting Extension of Time recognized that entities may seek waiver of the Commission's orders, regulations, tariffs and rate schedules, as appropriate, to address needs resulting from steps they have taken in response to COVID-19.¹ Regulated entities and the public have since filed waiver requests.² This has prompted the Commission to review its procedural regulations to ensure that the Commission's work is performed in an efficient manner.

II. Delegation of Agency Authority

A. Notice

3. Given the immediate need to efficiently process and act on waiver requests made in response to the emergency conditions created by COVID-19, public notice of this action, otherwise required by 5 U.S.C. 553(b) (2018), is impracticable. The Commission's requirement to protect the public interest creates an immediate need for this action.

B. Uncontested Waiver Requests

4. The Commission in this order temporarily delegates authority to the Director of the Office of Energy Market Regulation, or the Director's designee, to take appropriate action on uncontested requests or petitions filed pursuant to section 4 of the NGA, 15 U.S.C. 717c (2018), section 205 of the FPA, 16 U.S.C. 824d (2018), and section 6(3) of the ICA, 49 App. U.S.C. 6(3) (1988), requesting prospective waivers of requirements set

forth in Commission orders, regulations, tariffs, rate schedules, and service agreements to address needs due to steps movants take in response to COVID-19.³ This authority will remain in place until June 1, 2020. This delegation of authority will allow for more efficient processing of and action on these uncontested waiver requests. The need for efficient processing and action is particularly important given the emergency conditions related to COVID-19, as entities may need to seek waiver of various requirements with which they are unable to comply due to the extraordinary circumstances.⁴

The Commission orders:

(A) The Commission hereby delegates to the Director of the Office of Energy Market Regulation, or the Director's designee, further authority to act, effective as of the date of this order, until June 1, 2020, as discussed in the body of this order.

(B) The Secretary is hereby directed to promptly publish this order in the **Federal Register**.

By the Commission.

Issued: April 2, 2020.

Deputy Secretary.
