

certificate issued in Docket No. CP96–128–000. Eastern Shore requests authorization to abandon, relocate, construct, own, operate, and maintain an approximate 1.6-mile segment of two separate pipelines and appurtenances due to a Delaware Department of Transportation public road improvement project in New Castle County, Delaware (State Route 72 Relocate Project). Eastern Shore proposes to replace the existing 6- and 10-inch-diameter pipelines with two 16-inch-diameter pipelines to provide an additional 3,500 dekatherms per day of firm transportation service to Delaware City Refining Company, LLC. Eastern Shore estimates the cost of the project to be \$12,551,652, all as more fully set forth in the request which is on file with the Commission and open to public inspection.
