[Project No. 5069-012]

Kingdom Energy Products; Hillside Clean Energy LLC; Notice of Transfer of Exemption

1. On July 3, 2019, Kingdom Energy Products, exemptee for the Sygitowicz Creek Power Project No. 5069, filed a letter notifying the Commission that the project was transferred from Kingdom Energy Products to Hillside Clean Energy LLC. The exemption from licensing was originally issued on July 14, 1982.¹ The project is located on the Sygitowicz Creek, Whatcom County, Washington. The transfer of an exemption does not require Commission approval.

2. Hillside Clean Energy LLC is now the exemptee of the Sygitowicz Creek Hydro Project No. 5069. All correspondence must be forwarded to: Mr. Steven TeVelde, P.O. Box 895, Lynden, WA 98264, Phone: 360–305– 2628, Email: *stevetevelde@gmail.com*.

Dated: October 21, 2019.

Please file motions to intervene, protests, and comments using the Commission's eFiling system at *http://* www.ferc.gov/docs-filing/efiling.asp. Commenters can submit brief comments up to 6,000 characters, without prior registration, using the eComment system at http://www.ferc.gov/docs-filing/ *ecomment.asp.* You must include your name and contact information at the end of your comments. For assistance, please contact FERC Online Support at FERCOnlineSupport@ferc.gov, (866) 208-3676 (toll free), or (202) 502-8659 (TTY). In lieu of electronic filing, please send a paper copy to: Secretary, Federal Energy Regulatory Commission, 888 First Street NE, Washington, DC 20426. The first page of any filing should include docket number P–2413–126.

k. Description of Request: The license filed a request to permit a non-project use of project lands and waters to allow River Sand Incorporated to dredge throughout an approximately 2-mile stretch of the upper project reservoir in Greene County, Georgia for the purposes of commercial sand mining. The sorting area will be located on 6 acres of privately-owned land within the project boundary that the licensee has flowage rights over. The mine operator expects the year round operation of the sand mine will extract 5,000 to 25,000 tons of sediment per year. The operation will not be conducted on U.S. Forest Service Land.

l. Locations of the Application: A copy of the application is available for inspection and reproduction at the Commission's Public Reference Room, located at 888 First Street NE, Room 2A, Washington, DC 20426, or by calling (202) 502–8371. m. Individuals desiring to be included on the Commission's mailing list should so indicate by writing to the Secretary of the Commission.

n. Comments, Protests, or Motions to Intervene: Anyone may submit comments, a protest, or a motion to intervene in accordance with the requirements of Rules of Practice and Procedure, 18 CFR 385.210, .211, .214. In determining the appropriate action to take, the Commission will consider all protests or other comments filed, but only those who file a motion to intervene in accordance with the Commission's Rules may become a party to the proceeding. Any comments, protests, or motions to intervene must be received on or before the specified comment date for the particular application.

o. Filing and Service of Responsive *Documents:* Any filing must (1) bear in all capital letters the title COMMENTS; PROTEST, or MOTION TO INTERVENE as applicable; (2) set forth in the heading the name of the applicant and the project number of the application to which the filing responds; (3) furnish the name, address, and telephone number of the person protesting or intervening; and (4) otherwise comply with the requirements of 18 CFR 385.2001 through 385.2005. All comments, motions to intervene, or protests must set forth their evidentiary basis and otherwise comply with the requirements of 18 CFR 4.34(b). All comments, motions to intervene, or protests should relate to the non-project use application. Agencies may obtain copies of plans directly from the applicant. A copy of any protest or motion to intervene must be served upon each representative of the applicant specified in the particular application. If an intervener files comments or documents with the Commission relating to the merits of an issue that may affect the responsibilities of a particular resource agency, they must also serve a copy of the document on that resource agency. A copy of all other filings in reference to this application must be accompanied by proof of service on all persons listed in the service list prepared by the Commission in this proceeding, in accordance with 18 CFR 4.34(b) and 385.2010.
