

Support to apply

**Disability Supported
Accommodation Service**

[Register to attend online](#)

Tuesday 25 May

10am to 11.30am and 1pm to 2.30pm

Manchester Adult Education can help you understand how to talk about your strengths, skills and experience in your job application and at interview.

If you are thinking of applying to the Disability Supported Accommodation Service, or other roles with Manchester City Council, this session is for you!

This 2 part workshop will cover

10am to 11.30am - A look at job specifications and application forms for Manchester City Council roles. By the end of the workshop, you will be familiar with the STAR method to structure responses and be clear on how to evidence your suitability for the roles.

1pm to 2.30pm - Explore how best to prepare for interviews and approach them with confidence. By the end of this workshop, you will understand how to talk about yourself positively and make an impact with employers. You will identify ways to maintain a positive and confident mindset before and during an interview.

Come along to one of the sessions or both.
