II. Legal Basis

Under Section 32918 of the Moving Ahead for Progress in the 21st Century Act, Public Law 112-141, 126 Stat. 405 (MAP-21), all brokers and freight forwarders subject to FMCSA's jurisdiction must maintain \$75,000 in financial security. 49 U.S.C. 13906(b)(3), (c)(4). Such financial security must be in the form of a surety bond or trust fund. 49 CFR 387.307(a); 49 CFR 387.403T(c). Under 49 U.S.C. 13541(a), the Secretary of Transportation (Secretary) "shall exempt a person, class of persons, or a transaction or service from the application, in whole or in part, of a provision of [49 U.S.C. Part B (Chapters 131-149)], or use this exemption authority to modify the application of a provision of [49 U.S.C. Part B (Chapters 131-149)] as it applies to such person, class, transaction, or service when the Secretary . . . finds that the application of that provision:

(1) Is not necessary to carry out the transportation policy of [49 U.S.C. 13101];

(2) is not needed to protect shippers from the abuse of market power or that the transaction or service is of limited scope; and

(3) is in the public interest."

49 U.S.C. 13541(a).
In a September 10, 2019, letter to FMCSA (SBTC Petition for Exemption), SBTC seeks a 5-year exemption from the \$75,000 financial security requirements at 49 U.S.C. 13906(b) and (c) for certain small business brokers and freight forwarders with revenues below \$15.01

million.¹ Section 13906 is located in 49 U.S.C. Part B (Chapter 139) and therefore may be considered within the general scope of the Agency's exemption authority under section 13541.² The Secretary may begin a section 13541 exemption proceeding on the application of an interested party or on the Secretary's own initiative. 49 U.S.C. 13541(b). The Secretary may "specify the period of time during which an exemption" is effective and may revoke the exemption "to the extent specified, on finding that application of a provision of [49 U.S.C. Chapters 131–149] to the person, class, or transportation is necessary to carry out the transportation policy of [49 U.S.C.] section 13101." 49 U.S.C. 13541(c), (d). In addition, the exemption authority provided by section 13541 "may not be used to relieve a person from the application of, and compliance with, any law, rule, regulation, standard, or order pertaining to cargo loss and damage [or] insurance . . ." 49 U.S.C. 13541(e)(1).

The Administrator of FMCSA has been delegated authority under 49 CFR 1.87 to carry out the functions vested in the Secretary by 49 U.S.C. 13541.

III. Background

On July 6, 2012, the President signed into law MAP–21, which included a number of mandatory, non-discretionary changes to FMCSA programs. Some of these changes amended the financial security requirements applicable to property brokers and freight forwarders operating under FMCSA's jurisdiction. MAP–21 § 32918, (codified at 49 U.S.C. 13906(b) and (c)). More specifically, 49 U.S.C. 13906(b) and (c) require brokers and freight forwarders to provide evidence of minimum financial security in the amount of \$75,000. On October 1, 2013, FMCSA issued regulations requiring brokers and freight forwarders to have a \$75,000 surety bond or trust fund in effect. 49 CFR 387.307(a), 387.403(c). 78 FR 60226, 60233. The 11th Circuit Court of Appeals dismissed AIPBA's Administrative Procedure Act challenge to the rule, *AIPBA v.*

Secretary, U.S. Department of Transportation, 13–15238 (11th Cir. Mar. 18, 2016), and the United States District Court for the Middle District of Florida dismissed a separate AIPBA challenge to the constitutionality of the statute. *AIPBA v. Foxx*, 5:15–cv–00038–JSM–PRL (M.D. Fla. July 15, 2015).

On December 26, 2013, FMCSA requested public comment on the August 14, 2013, AIPBA application for an exemption for all property brokers and freight forwarders from the requirement for a \$75,000 surety bond or trust fund (78 FR 78472). Specifically, FMCSA requested comments on whether the Agency should grant or deny AIPBA's application, in whole or in part. The Agency also requested comments on how it should apply 49 U.S.C. 13541(a) (1–3) to AIPBA's request. 78 FR at 78473.

On March 31, 2015 (80 FR 17142), FMCSA published a **Federal Register** notice denying AIPBA's request.³ The Agency concluded that the exemption should be denied on the basis that 49 U.S.C. 13541 does not give FMCSA the authority to essentially nullify a statutory provision by exempting the entire class of persons subject to the provision. 80 FR at 17145. Furthermore, even if the Agency had the authority to issue such a blanket exemption, AIPBA's exemption application did not meet the factors provided in section 13541 because (1) the new \$75,000 bond requirement is necessary to carry out the National Transportation Policy at 49 U.S.C. 13101, (2) there has been no showing that the \$75,000 requirement "is not needed to protect shippers from the abuse of market power," and (3) the requested exemption is not in the public interest. *Id.* at 17147.

On Sept. 10, 2019, SBTC submitted its current request for a 5-year exemption from the \$75,000 broker/freight forwarder financial responsibility requirement for those brokers and freight forwarders with revenues under \$15.01 million.

Request for Comments

FMCSA requests public comment on the SBTC exemption application. A copy of SBTC's exemption application is included in the public docket referenced at the beginning of this notice. Specifically, FMCSA requests comments on whether the Agency should grant or deny the application, in whole or in part. The Agency also requests comments on how it should

apply 49 U.S.C. 13541(a)(1–3) to SBTC's request. Commenters are encouraged to provide data or information concerning the impact of the financial security requirements and/or the impact of granting this exemption request on motor carriers, brokers, freight forwarders and shippers.

Associate Administrator for Policy.

Federal Railroad Administration

Safety Advisory 2020–01; Safety Precautions Related to Coronavirus Disease 2019 (COVID–19)

AGENCY: Federal Railroad Administration (FRA), Department of Transportation.

ACTION: Notice of Safety Advisory.

SUMMARY: This Safety Advisory encourages railroads, their employees, and contractors to review and follow all applicable guidance available related to COVID–19, including the best practices identified in the President's Coronavirus Guidelines for America—30 Days to Slow the Spread of Coronavirus (COVID–19), the Centers for Disease Control and Prevention's (CDC) COVID–19 guidelines, and the Occupational Safety and Health Administration's (OSHA) Guidance on Preparing Workplaces for COVID–19. This Safety Advisory recommends that railroads develop and implement procedures and practices consistent with the above-identified best practices and that railroads take certain other actions to ensure the safety of railroad operations and maintenance during this national emergency. FRA believes that actions consistent with this Safety Advisory will reduce the risk of railroad employees, contractors, and members of the public contracting or spreading COVID–19.

FOR FURTHER INFORMATION CONTACT: Karl Alexy, Associate Administrator for Safety and Chief Safety Officer, FRA, 1200 New Jersey Avenue SE, Washington, DC 20590, telephone (202) 493–6282.

Disclaimer: This Notice of Safety Advisory is considered guidance pursuant to 49 CFR 5.25. The information in this Safety Advisory does not have the force and effect of law and is not meant to bind the public in any way. If you have questions relating to COVID–19, please contact the CDC directly.

¹ SBTC Petition for Exemption, at 10.

² SBTC styles its request as a resubmission of an exemption request pursuant to 49 U.S.C. 31315(b)(3) and 49 CFR 381.317. Section 31315 of title 49 and 49 CFR part 381 apply to exemptions from 49 U.S.C. Chapter 313, 49 U.S.C. 31136 and from rules issued under those statutes, however. FMCSA therefore has no jurisdiction to entertain a resubmission of AIPBA's exemption request under section 31315(b)(3) and section 381.317, as the requirements SBTC seeks exemption from are not within Chapter 313 or Section 31136. However, instead of dismissing SBTC's request, FMCSA will treat SBTC's request as a new request for exemption under section 13541 and consider it under that applicable statutory provision.

³ AIPBA did not appeal FMCSA's decision as required within the 60-day limitations period in 28 U.S.C. 2344.
