SUPPLEMENTARY INFORMATION: This notice informs the public that HUD is seeking approval from OMB for the information collection described in Section A.

A. Overview of Information Collection

Title of Information Collection: Public Housing Agency (PHA) Lease and Grievance Requirements.

OMB Approval Number: 2577-0006.

Type of Request: Reinstatement, with change, of a previously approved collection for which approval has expired.

Form Number: N/A.

Description of the need for the information and proposed use: The Public Housing lease and grievance procedures are a recordkeeping requirement on the part of Public Housing agencies (PHAs) as they are required to enter into and maintain lease agreements for each tenant who occupies a Public Housing unit. Also, both PHAs and tenants are required to follow the protocols set forth in the grievance procedures stated in their respective leases for both an informal and formal grievance hearing. This information collection is a reinstatement, with change, of the previous approved collection which has expired. The change is due to an update to the burden and cost estimate. Specifically, this is attributable to fewer number of tenants in public housing covered by these lease and grievance procedures.

Respondents (i.e., affected public): Public Housing Authority (PHA) Households.

Estimated Number of Respondents: 821,741.

Estimated Number of Responses: 1,150,437.

Frequency of Response: 1.4.

Average Hours per Response: .25.

Total Estimated Burdens: 287,609 hours.

B. Solicitation of Public Comment

This notice is soliciting comments from members of the public and affected parties concerning the collection of information described in Section A on the following:

(1) Whether the proposed collection of information is necessary for the proper performance of the functions of the agency, including whether the information will have practical utility;

(4) Ways to minimize the burden of the collection of information on those who are to respond; including through the use of appropriate automated collection techniques or other forms of information technology, e.g., permitting electronic submission of responses.

HUD encourages interested parties to submit comment in response to these questions.
