Title: Single Family Housing Guaranteed Loan Program.

OMB Number: 0575-0179.

Expiration Date of Approval: December 31, 2020.

Type of Request: Revision of a Previously Approved Information Collection.

Abstract: Under this program, loan guarantees are provided to participating lenders who make loans to income eligible borrowers in rural areas. The purpose of this program is to promote affordable housing for low- and moderate-income borrowers in rural America.

The revision resulted from an estimated increase of 1,714,757 responses and 681,089 burden hours since the last submission. Any change in hours is a result of increased program level funding and demand by the public. Also considered is a change in the average loan amount, additional lenders participating in the program, due to a change in the program funding level and a keener interest by industry partners. Backlogs in some States caused delays in processing lender requests that resulted in various turn-around times from state to state. Integration of the SFHGLP into the National model was necessary to provide lenders improved customer service, consistent turn times and policy interpretation.

Estimate of Burden: Public reporting burden for this collection of information is estimated to average 49 minutes per response.

Respondents: Private sector lenders participating in the Rural Development Single Family Housing Guaranteed Loan Program.

Estimated Number of Respondents: 2,520.

Estimated Number of Responses per Respondent: 737.

Estimated Number of Responses: 1,766,094.

Estimated Total Annual Burden on Respondents: 1,361,748.

All responses to this notice will be summarized and included in the request for OMB approval. All comments will also become a matter of public record.
