[Docket No. USCG-2018-0565]

Lifejacket Approval Harmonization

AGENCY: Coast Guard, DHS.

ACTION: Notice of availability.

SUMMARY: The Coast Guard is finalizing the policy harmonizing personal flotation device (PFD) standards between the United States and Canada by accepting a new standard for approval of PFDs. As a result, PFD manufacturers can meet a single North American standard instead of separate standards for the United States and Canada. The standard is outlined in a policy letter with a supporting deregulatory savings analysis. This policy letter is intended to promote the Coast Guard's maritime safety and stewardship missions. This policy does not affect existing PFD approvals and does not require any action on the part of boaters or mariners who have approved PFDs on board.
