SUPPLEMENTARY INFORMATION: In accordance with the PRA and 5 CFR 1320.8(d)(1), all information collections require approval under the PRA. We may not conduct or sponsor and you are not required to respond to a collection of information unless it displays a currently valid OMB control number.

As part of our continuing effort to reduce paperwork and respondent burdens, we invite the public and other Federal agencies to comment on new, proposed, revised, and continuing collections of information. This helps us assess the impact of our information collection requirements and minimize the public's reporting burden. It also helps the public understand our information collection requirements and provide the requested data in the desired format.

We are especially interested in public comment addressing the following:

(1) Whether or not the collection of information is necessary for the proper performance of the functions of the agency, including whether or not the information will have practical utility;

(2) The accuracy of our estimate of the burden for this collection of information, including the validity of the methodology and assumptions used;

(3) Ways to enhance the quality, utility, and clarity of the information to be collected; and

Abstract: The Division of Permits Management of the National Mall and Memorial Parks is authorized by regulations codified in 36 CFR 7.96(g) to issue permits for public gatherings, including special events and demonstrations, held on NPS property within the National Capital Region. The regulations reflect the special demands on many urban National Capital Region parks used as sites for demonstrations and special events. A special event is defined as any presentation, program, or display that is recreational, entertaining, or celebratory in nature (*e.g.*, sports events, pageants, celebrations, historical reenactments, regattas, entertainments, exhibitions, parades, fairs, festivals and similar events). The term “demonstration” includes like forms of conduct that involve the communication or expression of views or grievances (*e.g.*, picketing, speechmaking, marching, holding vigils or religious services, etc.). We use information from NPS Form 10–941 to determine:

- Identity of person(s) or organization(s) requesting authorization to conduct a demonstration or special event, and to determine whether the applicant(s) meets statutory requirements to conduct the activity.

- Nature of the proposed activity and whether there is statutory authority to grant permission to engage in it.

- Relationship between the proposed activity and the primary purpose(s) for which the park area was established and relevant park planning documents.

- Whether there is a legitimate NPS need or interest in the proposed activity.

- Whether the proposed activity would require a commitment of public resources or facilities, whether such commitments are legitimate and appropriate, and whether they are available.

- Long-term or short-term adverse effects caused by the proposed activity

on park resources, facilities, or programs.

- Total cost to the park of monitoring proposed activity.

- Whether a waiver of numerical limitations on the White House sidewalk and/or Lafayette Park should be granted.

- Law enforcement resources needed to assure public safety and site security, especially at the White House, during the activity.

Depending on the size and complexity of the proposed activity, we may require applicants to submit supporting documents such as:

- **Site Plan:** A complete site plan must be submitted if tents, stages, or any other type of structure are to be placed on parkland.

- **Sign Plan:** The plan will provide the overall size, number, and design of any signs or banners.

- **Risk Management Plan:** For events with significant equipment use during set-up and tear-down.

- **Administrative Documents:** We may require applicants submit a portable toilet contract, evidence of liability insurance coverage, IRS W–9 form, or an electronic funds transfer form.

Abstract: Authorized by the Federal Lands Recreation Enhancement Act (FLREA; 16 U.S.C. 6801–6814), the America the Beautiful—National Parks and Federal Recreation Lands Pass Program provides recreation opportunities on public lands managed by four Department of the Interior agencies: the National Park Service, U.S. Fish and Wildlife Service, Bureau of Land Management, and the Bureau of Reclamation in addition to the Department of Agriculture's U.S. Forest Service and the U.S. Army Corps of Engineers. This program manages the application process and distribution of passes to provide visitors an affordable and convenient way to access Federal recreation lands. The pass program's proceeds are used to improve and enhance visitor recreation services.
