Title of Information Collection: Section 202 Supportive Housing for the Elderly Application Submission Requirements.

OMB Approval Number: 2502–0267.

Type of Request: Reinstatement with change, of previously approved collection.

Description of the need for the information and proposed use: This is a reinstatement with changes of a previously approved collection that

expired per the Consolidated Appropriations Act of 2018 which appropriated \$105,000,000 for new capital advances and project-rental assistance contracts. Under the new appropriation, the Section 202 program has been redesigned to (1) strategically target funds to the most vulnerable elderly persons with the greatest unmet housing needs, and (2) select the most effective sponsors that could achieve positive outcomes in the most expeditious manner. Therefore, we have updated the total annual cost burden to respondents and the annualized costs to the Federal government to reflect current costs.

Respondents (i.e., affected public): Eligible applicants and any co-sponsors must be private, nonprofit organizations and nonprofit consumer cooperatives with tax exempt status under Internal Revenue Service code.

Estimated Number of Respondents: 150.

Estimated Number of Responses: 13,150.
