

2. Rule 17d-3 under the 1940 Act provides an exemption from section 17(d) and rule 17d-1 to permit open-end management investment companies to enter into distribution arrangements pursuant to rule 12b-1 under the 1940 Act. Applicants request an order under section 17(d) of, and rule 17d-1 under, the 1940 Act, to the extent necessary, to permit each Fund to impose asset-based service and/or distribution fees (in a manner similar to rule 12b-1 fees for an open-end management investment company). Applicants have agreed to comply with rules 12b-1 and 17d-3 as if those rules apply to closed-end management investment companies, which they believe will resolve any concerns that might arise in connection with a Fund financing the distribution of its Shares through asset-based service and/or distribution fees.

For the reasons stated above, applicants submit that the exemptions requested under section 6(c) are necessary and appropriate in the public interest and are consistent with the protection of investors and the purposes fairly intended by the policy and provisions of the 1940 Act.

Applicants further submit that the relief requested pursuant to section 23(c)(3) will be consistent with the protection of investors and will insure that applicants do not unfairly discriminate against any holders of the class of securities to be purchased. Finally, applicants state that the Funds' imposition of asset-based service and/or distribution fees is consistent with the provisions, policies, and purposes of the 1940 Act and does not involve participation on a basis different from or less advantageous than that of other participants.

Applicants' Condition

Applicants agree that any order granting the requested relief will be subject to the following condition:

Each Fund relying on the requested order will comply with the provisions of rules 6c-10, 12b-1, 17d-3, 18f-3, 22d-1 and, where applicable, 11a-3 under the 1940 Act, as amended from time to time or replaced, as if those rules applied to closed-end management investment companies, and will comply with FINRA Rule 2341, as amended from time to time, as if that rule applies to all closed-end management investment companies.

Assistant Secretary.

Applicants

1. The Trust is a statutory trust organized under the laws of the State of Delaware and will consist of one or more series operating as a Fund. The Trust is registered as an open-end management investment company under the Act. Applicants seek relief with respect to two Funds (as defined below, and those Funds, the "Initial Funds"). The Funds will offer exchange-traded shares utilizing active management investment strategies as contemplated by the Reference Order.²

2. The Adviser, a Delaware corporation, will be the investment adviser to the Initial Funds. Subject to approval by the Fund's board of trustees, the Adviser (as defined below) will serve as investment adviser to each Fund. The Adviser is, and any other Adviser will be, registered as an investment adviser under the Investment Advisers Act of 1940 ("Advisers Act"). The Adviser may enter into sub-advisory agreements with

¹ Natixis ETF Trust II, et al., Investment Company Act Rel. Nos. 33684 (November 14, 2019) (notice) and 33711 (December 10, 2019) (order).

² To facilitate arbitrage, among other things, each day a Fund will publish a basket of securities and cash that, while different from the Fund's portfolio, is designed to closely track its daily performance.

other investment advisers to act as sub-advisers with respect to the Funds (each a “Sub-Adviser”). Any Sub-Adviser to a Fund will be registered under the Advisers Act.

3. The Trust will enter into a distribution agreement with one or more distributors. Each distributor will be a broker-dealer registered under the Securities Exchange Act of 1934, as amended, and will act as the distributor and principal underwriter of Shares of the Funds. Applicants request that the requested relief apply to any distributor of Shares, whether affiliated or unaffiliated with the Adviser and/or Sub-Adviser. Any distributor will comply with the terms and conditions of the Order.

Applicants’ Requested Exemptive Relief

4. Applicants seek the requested Order under section 6(c) of the Act for an exemption from sections 2(a)(32), 5(a)(1), 22(d) and 22(e) of the Act and rule 22c-1 under the Act, under sections 6(c) and 17(b) of the Act for an exemption from sections 17(a)(1) and 17(a)(2) of the Act, and under section 12(d)(1)(J) of the Act for an exemption from sections 12(d)(1)(A) and 12(d)(1)(B) of the Act. The requested Order would permit applicants to offer Funds that utilize the NYSE Proxy Portfolio Methodology. Because the relief requested is the same as the relief granted by the Commission under the Reference Order and because the Adviser has entered into a licensing agreement with NYSE Group, Inc. in order to offer Funds that utilize the NYSE Proxy Portfolio Methodology,³ the Order would incorporate by reference the terms and conditions of the Reference Order.

5. Applicants request that the Order apply to the Initial Funds and to any other existing or future registered open-end management investment company or series thereof that: (a) Is advised by the Adviser or any entity controlling, controlled by, or under common control with the Adviser (any such entity included in the term “Adviser”); (b) offers exchange-traded shares utilizing active management investment strategies as contemplated by the Reference Order; and (c) complies with the terms and conditions of the Order and of the Reference Order, which is incorporated by reference into the Order (each such company or series and any Initial Fund, a “Fund”).⁴

³ The NYSE Proxy Portfolio Methodology (as defined in the Reference Order) is the intellectual property of the NYSE Group, Inc.

⁴ All entities that currently intend to rely on the Order are named as applicants. Any other entity that relies on the Order in the future will comply

6. Section 6(c) of the Act provides that the Commission may exempt any person, security or transaction, or any class of persons, securities or transactions, from any provisions of the Act, if and to the extent that such exemption is necessary or appropriate in the public interest and consistent with the protection of investors and the purposes fairly intended by the policy and provisions of the Act. Section 17(b) of the Act authorizes the Commission to exempt a proposed transaction from section 17(a) of the Act if evidence establishes that the terms of the transaction, including the consideration to be paid or received, are reasonable and fair and do not involve overreaching on the part of any person concerned, and the transaction is consistent with the policies of the registered investment company and the general purposes of the Act. Section 12(d)(1)(J) of the Act provides that the Commission may exempt any person, security, or transaction, or any class of persons, securities or transactions, from any provision of section 12(d)(1) if the exemption is consistent with the public interest and the protection of investors. Applicants submit that for the reasons stated in the Reference Order the requested relief meets the exemptive standards under sections 6(c), 17(b) and 12(d)(1)(J) of the Act.

For the Commission, by the Division of Investment Management, pursuant to delegated authority.

Assistant Secretary.
